Fall 2017

Dear Friend of the Library,

I hope you have had a chance to visit the Perkiomen Valley Library this year. We recently commemorated our 60th Anniversary at the Second Street location with a big celebration. We are grateful for the presence of our US Congressman Ryan Costello, State Representatives Marcy Toepel and Tom Quigley, Mayor Joe Giunta of Schwenksville, and Supervisor Ron Kerwood of Lower Frederick, along with so many of our valued library patrons. Thanks in great part to your financial support over the past year we were able to host everyone in the library's auditorium on our brand-new floor! Of course, every time we make an improvement to our building it shifts the focus to all the items on our wish list. For instance, now we would love to get new flooring on the first floor of our building, which hasn't been replaced in many years. Your continued financial support would go a long way toward making this dream a reality!

In honor of our Anniversary, we have created this list of *Sixty Things We Love About Our Library*. Perhaps you can add additional favorite reasons to visit!

Please help us continue our service to the community for another sixty years by making a tax-deductible donation to the Perkiomen Valley Library, a 501 (c)(3) non-profit organization. We are so thankful for all you do to make our library a great place to visit!
