Battle Hymn of the Tiger Mother
By Amy Chua

"An awe-inspiring, often hilarious, and unerringly honest story of one mother's exercise in extreme parenting, revealing the rewards-and the costs-of raising her children the Chinese way.

All decent parents want to do what's best for their children. What *Battle Hymn of the Tiger Mother* reveals is that the Chinese just have a totally different idea of how to do that. Western parents try to respect their children's individuality, encouraging them to pursue their true passions and providing a nurturing environment. The Chinese believe that the best way to protect your children is by preparing them for the future and arming them with skills, strong work habits, and inner confidence. *Battle Hymn of the Tiger Mother* chronicles Chua's iron-willed decision to raise her daughters, Sophia and Lulu, her way—the Chinese way—and the remarkable results her choice inspires."
