**The Devil in the White City
By Erik Larson**

"The true tale of the 1893 World's Fair and the cunning serial killer who used the fair to lure his victims to their death. Two men, handsome and adept at their work.

One was a brilliant architect and the designer of the Chicago World's Fair; the other, a charming doctor and serial killer, and their fates were linked by the fair. Combining meticulous research with nail-biting storytelling, Erik Larson has crafted a narrative with all the wonder of newly discovered history and the thrills of the best fiction."
