January 2020

Dear Fellow Business Associates,

We are sure you agree that the Perkiomen Valley Library is an important asset to our community. Your clients and customers use our reading materials and on-line resources for educational purposes. They enjoy our wide variety of programs, including weekly yoga sessions, monthly knitting and cookbook clubs, master gardening and countless other free programs for relaxation and fellowship. The children take advantage of our twice-monthly Read to a Dog opportunities and Summer Reading Programs, as well as multiple occasions throughout the year for fun and literacy.

Our library building is currently undergoing a massive reconstruction project to correct structural deficiencies. The total cost will exceed \$450,000, which has wiped out our entire savings from the past sixty years, plus will require us to take out a substantial loan.

At this time, we are taking the extraordinary step of asking our fellow members of the local business community for help in repairing our building so it will remain a resource for future generations. We have no taxing authority, so we are dependent on non-guaranteed support from local municipalities and the generous help of our patrons. While these

funds are appreciated, they will in no way come close to providing the finances we need for this extensive project. We hope you will join in preserving the Perkiomen Valley Library through your tax-deductible donation. For your convenience, donations can be made via check or PayPal on our website at the following link: paypal.com/us/fundraiser/charity/2185366. We plan to advertise our business donors via social media and in a prominent place in the library.

We all benefit from strong communities, which include vibrant public resources such as OUR library. Please help us SAVE OUR LIBRARY and allow it to be stronger than ever!

Thank you very much for your support!
