

# GSK Science in the Summer™

## Science in the Summer

sponsored by  
GSK in partnership with  
the Franklin Institute  
*is online this summer  
& designed for  
children 7-13.*

**Go to:**

**<http://scienceinthesummer.fi.edu/be-a-chemist>**

**& Be a chemist at home this summer!**

**Join real chemist research teams to  
help solve real-world problems by doing  
at-home experiments and participating  
in live meetings with Franklin Institute  
educators!**
