Fall 2023

Dear Friend of the Perkiomen Valley Library,

Do you have hopes and dreams? We have hopes for a more modern, energy efficient, beautiful and welcoming library for all members of our community. We have hopes that children will be able to enjoy searching for their picture books and readers in a colorful and comfortable environment. We have hopes that job searchers can use our resources to find the best employment options. We have hopes that rooms can be made available for small groups to work on projects in a quiet, state-of-the-art meeting space.

We on the library board have a lot of hopes and dreams! In order to accomplish these goals, we are creating a long-term plan for library building improvements. We are applying for a variety of grants, but we would still be required to pay part of the funding. As a reminder, we are also in the process of paying off a large loan for the emergency construction project undertaken a few years ago to keep the building open and safe. Since our non-guaranteed municipal contributions are barely enough to pay for basic operating expenses, we are so grateful for your continuing financial support for programs and beautification projects. We hope we can depend on you to

help with our current dreams to make them a reality.
